VOICE YOUR VOTE 2020

Contact; Michelle Passoff 813-453-1944 (text or phone)

Verse 1:

The time has come for your voice to be heard
Don't be quiet like a mouse you gotta sing like a bird
Cast your voice you got some options today
Grab your family and friends and let's lead to the way

Hook:

(One) vote ahead be an early bird
(Two) by mail be preferred
(Three) or at the polls on November 3rd
Either way makes your voice heard
(One) vote ahead be an early bird
(Two) by mail be preferred
(Three) or at the polls on November 3rd
Either way makes your voice heard

Verse 2:

One voice can be a lonely sound
A cry in the distance a whimper of doubt yeah
But raise it up it can gather a crowd
And when we all speak up together they can't hold us down
Here are your options

Hook:

(One) vote ahead be an early bird
(Two) by mail be preferred
(Three) or at the polls on November 3rd
Either way makes your voice heard
(Uno) pon tu voto, ven hazlo
(Dos) por el correos temprano
(Tres) de noviembre es el último día de vota
Either way makes your voice heard

Instrumental Break:

Bridge:

Let your voice be heard
Vote 2020 oh
Let your voice be heard
Vote 2020 oh

Rap verse 3:

What do you need at a voting site? Just be a listener
License of thee of a Florida ID
Student ID and a card with your signature
The more visitors vote
The less prisoners we feel like
So reveal light and mail in your votes
So November 3rd can feel right

(Oh cause now we got the power ohh)

Hook:

(One) vote ahead be an early bird
(Two) by mail be preferred
(Three) or at the polls on November 3rd
Either way makes your voice heard
(Uno) pon tu voto, ven hazlo
(Dos) por el correos temprano
(Tres) de noviembre es el último día de vota
Either way makes your voice heard

Protesting in the streets, yelling we want change
Makes it loud and clear, there are things to rearrange
Reigster to vote now, don't wait another day
Put the lawmakers in office who hear what we say
